DR. TELISHA
ROBERTS

Dr. Roberts' life's work began with acquiring her Doctorate Degree in Business Administration with a concentration in Strategy and Innovation. Her career was marked by impressive achievements in the corporate sector. Her unique blend of analytical prowess, creative problem-solving, and passion has been instrumental in crafting solutions that resonate with small business needs. She translated her unique blend into creating her own small business, Creative Intentions, where she helps build a more robust workforce through training programs for educational entities and businesses of all sizes.

Dr. Roberts frequently speaks at events and participates in panel discussions, sharing her expertise and inspiring others with her story. In her downtime, she enjoys exploring local restaurants, supporting fellow entrepreneurs, and mentoring future leaders.
